Subject: Microsoft settlement - NOT ENOUGH REPARATIONS!

Regarding the Microsoft settlement, I don't believe that the current proposal provides adequate reparations to those injured by Microsoft's anti-competitive behavior. Hundred, even thousands, of small companies have ceased to exist over the decades because of Microsoft's business practices.

Even after being found guilty of being an illegal monopoly, Microsoft's behavior has not changed. Regulation of their behavior, with the threat of severe criminal penalties for failure to comply, is the only remedy that I can see will curtail them. The market must be able to return to a state of competition.

Thank you for your time.

Sincerely,
